

## HAPPY NEW YEAR!

We wish our customers and business partners around the world a happy, healthy and peaceful 2018! Full of energy we are looking into the future and wish us mutual success and fruitful business. And: Already there is a really good news.

## NEW! THE SPÜLBOY NU<sup>®</sup> NOW WITH AN IMPROVED RINSE TECHNOLOGY

Great! From now on you can get the Spülboy NU with an even more stable rinse valve tube. This makes the rinse cycle even more stable and safer in a very smart way. As No 1 among the manual glass washers, the continuous development of our products goes without saying. Sustainability that you can experience with each rinse – and your guests as well.

**NEW!**  
Improved rinse  
valve tube

## WE ARE THE NEW-BIES TO THE SPÜLBOY<sup>®</sup>-TEAM

Warm welcome twice! The SPÜLBOY team grows, Mrs. Kirsten Riesenbergl mainly cares about the international customers and leads the back office from now on. Mr. Nick Bullman supports us as a production manager comprehensively in all kinds of technical questions and leads the production processes.

**We are looking forward to the cooperation.**
