

## 100% MOBILE HAND HYGIENE!

### Clever solution for beverage markets

**Guarantees more hygiene** and customer delight.  
No more sticky hands when **returning empties**.

The cost-efficient, space-saving, low-maintenance **NU on Tour®**  
**A STAR hand hygiene station** can be optimally integrated in  
beverage markets next to the deposit terminals.

The module can be operated with our mobile Aqua Management  
System, **even without electricity and fixed water supply!**  
Can be that simple.
